

300 Love letters, price negotiable

Installation

Details

1 box of letters, 40 x 30 x 20 cm;
80 transparent pockets with
newspaper articles and
correspondence, DIN A4

The installation is based on an advertisement in the Münchner **Abendzeitung**, or rather my purchase of the cardboard box offered for sale, the contents of which document the relationship between a married man and his lover. The lovers had met twenty-five years ago through a personal ad in the same newspaper.

The installation consists exclusively of the purchased material. While the private letters can be seen untouched in their cardboard box on a pedestal, newspaper articles on the subject of love and correspondence with reader advisors, as well as all documents and messages without direct address, hang on the wall in transparent sleeves.
