

Seek Me

Audioinstallation, Contributive, Portrait as Dialogue

Details

5 CDs, 5 photo portraits

The Portrait as Dialogue work **Seek Me** was created with the contribution of five Sami singers from Norway, Sweden and Finland. It deals with the cultural technique of Joik, a special form of singing practiced exclusively by the Sami.

The musicians composed a Joik based on their perceptions of me - a cultural technique used exclusively by the Sami to recall people, special animals and landscapes.
