

Angelika Böck: StillePost Hans Himmelheber: Maskenporträts

Group Exhibition

2004/02/29
2004/03/28

The exhibition curated by Artur Elmer was a takeover of the juxtaposition of my work *StillePost* with the mask portraits of Hans Himmelheber previously shown in the Iwalewahaus, Bayreuth and The Museum Fünf Kontinente, formerly known as the Staatliches Museum für Völkerkunde (ethnological museum) in Munich. Works by Susanne Bürner were also shown.
