

Neue Medien machen Sinn

Group Exhibition

Curated by [Hans Diebner](#) and [Michael Klein](#), the exhibition presented artistic works that deal with the significance of new media. The topic was discussed in an accompanying posium discussion. Contributions from art and science by **Angelika Böck**, Hans H. Diebner, Gerhard Dirmoser und Dietmar Offenhuber, Florian Grond, Henning Lohner und Michael Klein, Manfred Faßler and Rafael Capurro.
