

## Sight/Seeing - Konstruktionen des Sehens

Lothringer13/Halle, Group Exhibition

2003/05/01  
2003/06/23

Curated by Christian Schön and Patricia Drück and featuring works by **Angelika Böck**, Pia Linz, Nadine Minkwitz, Freya Hattenberger, Jordi Moragues, Silvia Maria Schopf and Axel Roch, the exhibition presented artistic positions that deal explicitly and experimentally with the phenomenon of seeing as sensory perception, as inner seeing - in its psychological dimension - or as active seeing - in the sense of observing.
