German

The catalogue to the exhibition Sight/Seeing at Lothringer 13/Halle, which picked out artistic positions that explicitly and experimentally deal with the phenomenon of seeing as sensory perception, as an inner vision - in its psychological dimension - or as active viewing - in the sense of observing, contains texts by Silvia Wagenmaier, Randi Gunzenhäuser, Sean Jonpaul, Siegfried Zielinski, Freya Hattenberger, Jordi Moragues, Silvia Maria Schopf and Alexander Droschl on artistic works by **Angelika Böck**, Pia Linz, Nadine Minkwitz, Freya Hattenberger, Jordi Moragues, Silvia Maria Schopf and Axel Roch.
