The authors of this publication are concerned with cultural transmissions and the mission of images. With the example of my installation *StillePost*, the editors, in their introduction, explain the process of transmission against the background of intercultural image transfer. The volume contains texts by Birgit Mersmann und Alexandra Schneider (Ed.), Peter J. Bräunlein, Simone Griebmayer, Anne von der Heiden, Markus Buschhaus, Alexandra Schneider, Birgit Mersmann, Martin Gieselmann, Iris Därmann, Hans Belting, Beat Wyss, Asko Lehmuskallio, Heike Behrend und Nancy Adajania.
